Description:

© 1970 TISSOT • The product of the individual watchmaker in La Chaux-de-Fonds. In the screwed stainless steel housing is a manufacture movement with automatic drive and date display, the Cal. 794-2. The T 12 models convey a sporty touch with their case and the round housing steps. Our watch has a silver-plated dial with hour and minute hands and a large second from the center. The date window at 3. The watch comes with its original full-length stainless steel band, manufactured by Guy Fresser 1970, see picture. It shows clear signs of wear.
