Manufacturer:

Kartell, Milan

Country:

Italy

Measurements:

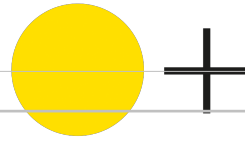

H 210 cm W 50 cm D 50 cm

Material:

Plexiglass white, 4-part reflector, 1 E 27 focal point, connecting cable and canopy made of aluminum, black.

Condition:

good original condition

**Special Remarks:**

with few signs of wear. At the bottom of the mouth, the reflector suffered very slight damage. The original cable can be shortened as desired. Due to the complex 4-part design of the reflector, the best possible diffusion is achieved. The socket E 27 can be equipped as required when using LED, with a light bulb up to 75 watts.

about this Object:

We offer a rare Italian pendant lamp by Kartell from Milan, designed by Piergiacchomo and Achille Castiglioni. The two stars of Italian product design have designed a wealth of objects, some of which are still in production today. Not the 4006 model from Kartell.
